Sir:

In reply to your letter requesting a Descriptive List of Bailey P. Henderson, a Private in Company E., 11th Regiment 2nd Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office; which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

Bailey P. Henderson Private in Company E., 11th Regiment of 2nd Volunteers, is years of age; but no further "description" can be obtained from the files of this Office. He was enrolled on the 1st day of Sept., 1862, at the town of Brownville in the State of Ky. by St. Patterson, and mustered into the service of the United States on the 6th day of Sept., 1862, at the town of Louisville, in the State of Ky. by Col. Lusk, to serve for the period of 3 years or "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Roll of his Company for the months of July & Augt. 1862 (at Test) that he was last paid by Paymaster Maj. Haggerty to the 29th day of Decr., 1862.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

On Same Roll he is reported "Present."

Very respectfully,

Your obedient servant,

Chas. Preck

Assistant Adjutant General.
(7)

To Capt. Chas. H. Fletcher
Mess. Officer
Franklinville Ky.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

July 14th 1862

I hereby certify that I have this day carefully examined John W. Harrell, a private in Capt. Lyle's Co. Col. Hawkins' Regt. Ky vol. & find him unable to do active military duty. He is the subject of chronic diarrhoea, ^{contracted on the river} of long standing - is very much reduced in flesh & strength, is troubled with anacarcous effusions of the feet & legs which unfit him for traveling on foot much at a time, is slowly improving, and say he will report in person as soon as able.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or surgeon of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *g*, *h*, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the written certificate."

Par. 1830 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward three papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to the division commander; or, if the troops are not attached to a division, to the corps, department, or other commander or officer having the authority to discharge enlisted men may be specially directed.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be retained by the officer to whom they are sent, or the regimental post, or detachment commander, who will, if the discharge is authorized by the surgeon, sign the proper authority, sign the soldier's discharge, and the last copy of the paper, so that the soldier is furnished with the discharge. These certificates, and the discharge, and the last copy of the paper, so that the soldier is furnished with the discharge. These certificates, and the discharge, and the last copy of the paper, so that the soldier is furnished with the discharge.

ARTICLES OF WAR.

ART. 53. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 122. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 55th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. When a soldier is at a post or station absent from his company, it will be the duty of the immediate commander to furnish the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the pay or other effects in his possession at the time of his decease; which report shall be noted on the next muster roll of the company to which the soldier belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier has no effects, the fact will be reported.

PAR. 123. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they be claimed by the legal representatives of the deceased.

PAR. 124. In all such cases of sales by the Council of Administration, a must in detail, or account of the proceeds, duly certified by the commanding officer, accompanied by the Paymaster's receipt, shall be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the sale of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

PAR. 125.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased, these inventories are sent to the Adjutant General, their serials should be attached to the inventories. In all other cases, they will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

PAR. 126.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent to the Adjutant General and one retained by the officer.

H. M. Houchins
Capt. 1st Regt

Sent June 28th 1862
I am Capt of Co. E. of 11th Regt Ky. Vol
& have been prompt in the discharge of my
duty. My Brother is dear to me. When
we left our Kentucky home & united
with the U.S.A. We mutually pledged
each other, that if one should get sick
the other would attend him to the last
advantage. He is now sick & very
sick. I desire to have leave of absence
from the Army, only long enough to
go with him home, & see him safely
placed in the hands of our friends.
My first Lieut is a faithful man &
has not more than twenty men in
my company for duty. 15 or 20 days
will be sufficient.

P. M. Houshies
Capt Co. E. 11th Regt Ky. Vol

Sent
I do hope that it will be
found convenient for Capt. Houshies to
attend his brother. He has but 20 men
for duty. His first Lieut is a good
officer & his command cannot suffer,
he being absent. This is what may be
call a special case.

The Adjutant General's Office,
 WAR DEPARTMENT,

Washington, April 15, 1910.

It has this day (April 15, 1910,) been determined by this Department from the records and from information furnished by the Aud. for the War Dept. that the above named soldier was absent sick from the date of expiration of his furlough, on or about Sept 25, 1863, to on or about Oct 31, 1863, and that the charge of absence without leave standing against him on the records for that period is erroneous.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, $\frac{3}{4}$, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edn. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned without the name changed to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statement in duplicate, and forward BOTH of these certificates to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given to the hands of the soldier.

a copy of Genl. Order No 19, 1864
concerning copies of the same &
dated April 2. 1864. publishing
the proceedings in the case of
Private Wade Smith Company C. 11. Regt
Inf. 11th Regt Inf. whose sentence was
sent to the Prov. Dept. to explain him, that the
proceedings in said case were
forwarded to the Judge A. G. at
Washington as soon as sent at the
G. C. C. D. O. & published in Genl. Order
to the Command. Several defunct
rights were discontinued & detached
from the Corps then commanded
by Genl. S. D. Sturgis, among them the
11th Regt Inf. - this was ordered to
Washington by S. D. Sturgis & I remember that
several copies of this order & enclosed
at that place but the right of possession
had been moved from them again
& he did not have them. and
Genl. Sturgis was relieved from the
11th Regt Inf. about the 10th of April
from proceeded by Maj. Genl. Chas.
Wheeler & he has the copies of this order
which I sent out to the respective
Division Commanders I turned over
a complete file of the same with all
the copies of the adj. Supt. over to
the Prov. Dept. & the same

I think it certain that he will think
he is not as I am convinced that there
was no criminality in the case for he was
always a good soldier and nothing before
excepting his own honor

The case of Wade Smith was
tried by the Judge Advocate
General at Fort Sterling
in 1862 and was decided by
the Court in favor of the
Government.

I have no recollection of the
finding of sentence of the Court
in the case of Wade Smith.
At the time the G. C. Co. was ordered
from Paris to Indianapolis
I was informed by Capt. Kinross
a. a. g. for the 1st Div. that
the proceedings in all cases up to
that time had been published and were
open for inspection but were
not used in the case of Wade Smith.

Some time in the month of March
1864 private Wade Keith Co C 11th Regt Inf
was tried by Court Martial at Mt Sterling
Ky upon charges preferred against him
by his Capt John B. Graves. The decision
of the Court has not been yet published and
the Soldier is going along with his command
as a prisoner, unarmed and under guard.

I am inclined to think that
the punishment if any will be light as
the charges were for lagging behind on the
march from Tennessee and not coming up
for five or six days. I desire to know if the sentence
has been published what it is so that I can report
of the prisoner & if the proceedings of the Court
have not been forwarded for you to make
some disposition of the case. I remain

Some time since I addressed you

private Wade Keith Co C 11th Ky" who was tried
by Court Martial at Mt Sterling Ky which
was returned to me with the endorsement
that no record of the proceedings had ever been
forwarded to these 16th Gen and asking by whose
Order the Court was convened and who was the
Judge Advocate: which was returned giving
the information asked. Since which time I have
not heard anything more of it. I have since
learned from Capt Hanchell 16th Ill Cavalry,
who was the Judge Advocate of the Court that
the proceedings were forwarded to Capt W. C.
Parvill A. A. A. G. & A. D. G. on Genl Sturgis staff
for revision. In view of the difficulty in

obtaining the record. and the offense for
which said Keith was tried ~~the court~~
respectfully ask that he be restored to
duty with a loss of Two (2) months pay
and allowances. I do this in view of
the long time he has been in arrest (since
March last), and the need we have for him
in the ranks.

GENERAL ORDER,
No. 19.

HEADQUARTERS CAVALRY CORPS, D. O.
Paris, Ky., April 2nd, 1864.

At the General Court Martial which convened at Mt. Sterling, Ky., on the 24th day of February, 1864, pursuant to Special Orders Nos. 19, 21, 22, 27 and 32, Captain Sterling, from those Headquarters, and of which Major H. C. Wilson, 8th Michigan Cavalry, is President, were assigned and tried,
1st. Private Wade Keith, Company C, 11th Ky. Mounted Infantry.

Charge 1st.
Description.

Specification 1st. In this that Private Wade Keith, Company C, 11th Ky. Mounted Infantry, did, whilst on the march to Mt. Sterling, Ky., desert his Company and Regiment, and did so remain eleven days without proper leave from his superior officer, all this at Richmond, Ky., or about the 13th day of February, 1864.

Charge 2nd.

CONDUCT PREJUDICIAL TO GOOD ORDER AND MILITARY DISCIPLINE.
Specification 1st. In this that Private Wade Keith, Company C, 11th Ky. Mounted Infantry, did whilst on the march to Mt. Sterling, Ky., become intoxicated and did use language to the following effect to his Captain: "You are a God damn son of a bitch, and a God damned rascal, on words to that effect, all this at or near Richmond, Ky., whilst on the march.
To which charges and specification the accused pleaded "Not Guilty."

Of the Specification 1st charge, the Court found the accused Guilty.
Of the 2nd charge, the Court found the accused Guilty.

Of the Specification 2nd charge, the Court found the accused Guilty.
Of the 2nd charge, the Court found the accused Guilty.

And the Court does therefore sentence him, Private Wade Keith, Company C, 11th Ky. Mounted Infantry, To be confined at hard labor on some Government fortification, (to be designated by the Commanding General of this Department) for the period of six months, and forfeit all pay now due and to be, commencing from the expiration of his sentence, and that he be publicly reprimanded by the commanding officer of his regiment.

2nd. Private William P. Vaughn, Company L, 11th Ky. Cavalry.
Charge.

Description.

Specification. In this that said William P. Vaughn, Private, Company L, 11th Ky. Cavalry Vol., a duly enlisted soldier in the service of the United States, did desert his company and Regiment, and remain absent until arrested

at Monticello, Ky., and returned. This at Halls' Gap, Lincoln Co., Ky., on or about the 1st day of January, 1864.

To which charge and specification the accused pleaded Not Guilty.

Finding and Sentence.

Of the specification, - - - - - Guilty.

Of the charge, - - - - - Guilty.

And the Court does therefore sentence him Private Wm. P. Vaughn, Company L., 11th Kentucky Cavalry, to be placed in solitary confinement for 14 days, at some place to be designated by the Commanding General of the 1st Division Cavalry Corps, D. O. That he forfeit six months pay, commencing on the 29th day of February, 1864, and ending August 31st, 1864, and be publicly reprimanded by the commanding officer of his regiment.

I. The proceedings and sentence in the case of Private Wade Keith are disapproved, when this sentence is contrasted with that of Private Wm. P. Vaughn, there is an evident inconsistency. This is a mild case, where the prisoner was absent but ten days, and then voluntarily returned. The charges, too, are vague. He is charged with using improper language towards his "Captain," without stating who his Captain was; moreover, from the testimony of Geo. Bryant, there is a shade of doubt thrown over the sobriety of the Captain himself at the time of the difficulty between him and the prisoner. The sentence is remitted and Private Wade Keith, Co. C. 11th Ky. Mounted Infantry *will* be returned to duty.

II. The sentence in the case of Private Wm. P. Vaughn, Co. L., 11th Ky. Cavalry, is disapproved, to inflict such punishment upon a soldier for the grave crime of which he was found guilty, would be simply to place a premium upon desertion. Private Wm. Vaughn, Company L. 11th Ky. Cavalry will be released from confinement and restored to duty, with forfeiture of pay and allowances for the time he was absent from duty until he be restored to duty.

FINAL STATEMENT

11th Reg't of Ky Vol. Infantry

VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

W. H. Guider
Col 12th Ky Mt Infy
Commanding Company Post

L 313.058. Blk, Mar. 27-84.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier: the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2

When a *probable* case for pension, special care must be taken to state the *degree* of disability—as *1/2, 3/4, &c., &c.*: to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The contents will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1240 Regulations, Edn. 1961.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificates be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONAL

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment, to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers in the regular route, by mail, or post commander, who will forward them, with his endorsement thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps commander, or other commanding officer, where the authority to administer collected money may be properly designated.
